A vintage-style chair with a light-colored, textured seat and backrest, supported by a black metal frame. The chair is positioned on a reddish-brown tiled floor against a light-colored, textured wall.

The image displays two chairs side-by-side. The chair on the left is a simple, modern-style chair with a bright red upholstered seat and backrest, framed by a black metal structure. It is positioned in front of a wire mesh display case containing various items, including what appears to be a small orange object. The chair on the right is a similar design but with a white upholstered seat and backrest, and it features black armrests. It is placed on a light-colored wooden floor against a plain, light-colored wall.
